CLOSER LOOK Sharp-Preakness winner but came up empty 4 weeks ago when making his 1st start over today's SAR-dirt oval; projects to save ground stalking the pace while stretching out to longest-distance test ever for this; the 1-post position began the SAR meeting strongly in dirt routes winning 9-of-38 (24%); clearly capable on his best day but did not see that effort here last month; 2-back win rider Castellano stays right here and since 2006 has 5 Travers victories.

CLOSER LOOK Travers-winning connections from 2016 as Smith goes for his 4th Travers score and Baffert his 3rd; exits back-to-back speed figure Tops loving 9F in last; defeated the 2-back show finisher who Beyered 96 in a next-out SAR-100K stakes victory; has the style to get 10F but gets his 1st attempt at the classic distance today; looms a logical contender for win honors.

CLOSER LOOK His BEL-stakes triumph represents the field's-best Beyer speed figure waking up off 2 dull efforts when defeated by similar rivals in the Bluegrass and Kentucky Derby; 3 of his 4 wins were produced when racing within 2 lengths at the 1st call; when he is too far back early does not seem to fire his best race; returns to SAR dirt for the 1st time since his career-low Beyer unveiling nearly 1 year ago; the Kentucky Derby finisher Beyered 94 in his next-out SA-G3 stakes triumph; Pletcher seeks his 3rd Travers triumph; dangerous if repeats his huge-BEL stakes effort.

CLOSER LOOK Stays on the main track after an eye-catching Jim Dandy score handling SAR dirt beautifully; has experience at today's distance when troubled 2-back vs. the winner who Beyered 95 in a next-out AP-G1 stakes victory; we're not comparing him to Cigar just yet but has the same trainer; Cigar was an OK turf runner who became a superstar when switched to dirt; view plenty of upside on this one.

CLOSER LOOK 3 of his 4 wins were produced stalking the pace but went a little speed crazy in his last 2 losses fading over the track at shorter in the Jim Dandy while Good Samaritan follows him here; without much gate speed signed on he projects as the one to catch; obviously his Derby win on a wet track leaves us wondering if he will fire his best again on a fast track which we haven't seen in last pair; Johnny V-Pletcher have a Travers victory together in 2005 with Flower Alley.

CLOSER LOOK Has not won past 7F yet and his late-running style often leaves him with too much to do; has not fired back to his wet-main track Kentucky Derby runner-up finisher with losses to similar rivals since then; expected a lot more in his W. Virginia Derby loss; wishes there was more pace signed on to help his late kick; others appeal more.

CASHING BIG ON RACING'S BIGGEST DAYS

By STEVE DAVIDOWITZ

For the last several decades, Steve Davidowitz—author of the hand-capping classic *Betting Thoroughbreds*—has been honing his superior handicapping and wagering skills to devise a winning strategy that can be applied on racing's biggest days. From isolating key contenders to constructing crafty Superfecta or Pick-4 tickets, Davidowitz has left no stone unturned in *Cashing Big on Racing's Biggest Days* by providing players with a quality game plan for attacking the best wagering opportunities the sport has to offer.

"In '*Cashing Big on Racing's Biggest Days*' Davidowitz covers virtually all there is to know about every type of wager, at every leading track, on every national "event" day, including the personal exotic-wagering strategies of nine leading players, concluding with his own."
