CLOSER LOOK Awfully game posting a huge 52-1 upset in the G1 Ashland at KEE April 6; had won 2 of prior 4 but the Beyers weren't much, hence the reason for the huge odds; was also facing some top-class foes but she upped her game a lot and proved best; certainly appears headed the right way and she's got the tactical speed to be prominent early, though she doesn't necessarily want to duel as there's ample other speed signed up here; trainer Stewart won this with Lemons Forever (2006).

CLOSER LOOK 2 of 3 wins have come on turf, no surprise being kin to top-class turfer Synchrony, but that smart win in the G3 Honeybee at OP shows she's no fish out of water on this footing; trouble is, in her next start vs. a number of these in the G1 Ashland at KEE April 6 she was no factor at any point; lack of speed on dirt has often let her with a lot to do turning for home; the one thing she has going for her this time is there's ample speed signed up here so she may get a pace similar to what she got in the Honeybee, and you saw what happened there.

CLOSER LOOK Daughter of 2-time HOY Curlin showed flashes of ability at 2, but she's really put it all together this year, winning all 3 starts; that includes a smart win despite trouble in the G3 Fantasy at OP; question is, can you credit all that good work this year to maturity or does she simply love OP?; well, maybe it's a bit of both, but the Beyers are trending the right way and obviously the trip is no problem; Asmussen won this with Summerly (2005) and Untappable (2014).

CLOSER LOOK \$800K daughter of Quality Road has dominated her division out West and comes here off 3 straight wins at SA including a romp in the G1 SA Oaks; that said, the one time she left the friendly confines of SoCal she got beat when a well-beaten 4th as the 9-5 favorite in the G1 BC Juvenile Fillies over this track last fall; the loss was chalked up to her being 'in season' and that may be the case; but what if she's not as effective out of her sandbox and what if she's not as fond of this main track?; no doubt the one to beat, but that was the case in November, too, right?

CLOSER LOOK \$500K daughter of HOY Tiznow pressed the pace in the G1 SA Oaks April 6 but proved no match for Bellafina in the lane as she was well beaten; at least stayed on for 2nd, but hey, somebody had to run 2nd, right?; that was just her 3rd start and first route so she's still getting her feet wet; it's interesting Baffert opted to go here as he also nominated her for the G2 Eight Belles which looks like a better spot so maybe the fact she ends up in here is a thumbs-up from her barn; Baffert won this with Silverbulletday (1999), Plum Pretty (2011) and Abel Tasman (2017).

CLOSER LOOK Looked like a comer in the fall when she broke her maiden here and then romped by 10 1/2 lengths in the G2 Demoiselle at AQU; efforts this year have been mixed, though, as she was dull in the G2 Rachel Alexandra at FG and then a decent 2nd in the G2 Gazelle at AQU last time; but could that 2nd last time be due to the fact she loves AQU?; could be; that also proves she handles 9fs nicely; big work since at KEE bodes well and she has the right to like this place being kin to 2017 G1 Ky. CLOSER LOOK Reigning 2yo filly champ was dazzling last year, her campaign topped off by a romping win in the G1 BC Juvenile Fillies here Nov. 2; hasn't run badly in 2 starts this year but there's cause pause; after all, she gave way readily when 4th in the G2 Davona Dale, then did better but still gave way to be 3rd in the G1 Ashland; Servis says he likes her progression and he's been thrilled by her a.m. activity so could be she's getting back on track; but what if she hasn't progressed since 2017, hmmm?; Servis won this with Cathryn Sophia (2016).

CLOSER LOOK Speed to be in it from the start; trouble is, there are more than a couple others who figure to go early as well, meaning the front could be a bit crowded and the combatants could get a bit too eager too soon; of course, at this stage of the game there's no changing her strategy - her speed is her strength; still, as noted there's other speed in here and in both the G3 Honeybee and G3 Fantasy she weakened just a bit in the final furlong, and now she's got another half-furlong to deal with.

CLOSER LOOK 2 for 2 here so you know the place suits; that includes a game win in the G2 Golden Rod here in the fall, beating Restless-Rider; hasn't run badly in 3 starts this year, though nothing there really gets the pulse racing; after all, while she was 2nd in the G2 Rachel Alexandra and 2nd in the G2 Fair Grounds Oaks she wasn't really a danger to the winner in the final furlong either time; again, at least you know it's a home game for her and she's worked well of late here.

CLOSER LOOK Added blinkers for the G2 Gullstream Park Oaks March 30 and picked up her game as she pressed the pace, took over in the lane and gamely won; let's face it, though, in another couple strides Dunbar Road might well have taken her, and Road had some trouble on the far turn to boot; still, at least she comes into this the right way; only prior start here saw her just 4th behind a few of these in the G2 Golden Rod in the fall but she's better now than she was then; daddy won the G1 BC Juvenile and G1 Ky. Derby over this track.

CLOSER LOOK Woke up at 51-1 and upset the G2 Davona Dale at GP March 2, earning one of the top Bayers in the field (91); that said, that came around one turn going just a mile at GP - today's it's 2 turns, going another full furlong at a track she's never seen; also, she hasn't run since so there's a layoff to boot; daddy produced last year's G1 Ky. Oaks winner and eventual 3yo filly champ Monomoy Girl and this filly has worked well since, but the layoff and a trip she hasn't seen yet are hurdles.

CLOSER LOOK No match for a couple of these in the G2 Rachel Alexandra at FG Feb. 16 but she looked like a new filly in the G2 FG Oaks there March 23 as she stalked the pace and came with a strong run to win easily; Bayers continue to head the right way and she's worked superbly since, over this track no less; the way she's finished up in those prior routes indicates this 9f trip should be no issue; could be she's turned the corner; Jones has won this 3 times, with Proud Spell (2007), Believe You Can (2012) and Lovely Maria (2014).

CLOSER LOOK Can be freaky-big when in the mood and things break her way; after all, her 4 wins came by 5 1/2, 13 1/2, 19 1/2 and 4 1/2 lengths; the biggest margin came in the G2 Pocahontas over this track last summer, too; that said, in her other 3 outings she was no factor in the lane; gave way badly in the G2 Fair Grounds Oaks last time out March 23 as the 3-10 favorite but reportedly bled; the good news is she's worked superbly since and given no indication of further bleeding issues; but even without that concern, she's speed facing ample other speed so even if 100% there are hurdles.

CLOSER LOOK Done nothing wrong in 7 starts, finishing in the exacta in each; that said, in 3 of those 2nds she got beat by some gals she faces here; in other words, she's talented and a good fit, but from a talent standpoint she's on pretty even terms with a number of her rivals; at least you know she likes it here and she's got a nice, tractable style, one that may serve her very well here in a race loaded with up-front speed; stuck way outside, but the field may spread some so she might be able to get over and avoid getting hung out to try while getting a nice stalking position.

CLOSER LOOK AE would be very scary if she goes; \$350K daughter of Quality Road made quite a splash in her debut romp at GP March 3, so much so trainer Brown said he'd take a swing at a graded stakes next and if all went well supplement her for this; hey, Brown isn't one to rush his runners so that says a lot about the high regard in which he holds this filly; could well have won the G2 Gulfstream Oaks is not for the fact she didn't take the far turn all that well, but still kept coming and nearly got there; Brown says she's been working wonderfully.
